

# VALUING HOUSING AND COMMUNITIES DEVELOPMENT WITHOUT DISPLACEMENT

Please join your friends, colleagues and the Chicago Rehab Network to celebrate more than 25 years of leadership and dedication to community development and affordable housing.

**Since 1977**, the **CHICAGO REHAB NETWORK** (CRN) has provided leadership to increase and preserve the affordable housing supply in the greater Chicago metropolitan area. Please join us to celebrate this milestone as we reflect upon the accomplishments, successful partnerships and growth of this important community coalition. For our neighbors who have moderate, low or fixed incomes, CRN is a champion of affordable housing. Valuing affordable housing as a basic right, CRN's leadership has spearheaded the advancement of this right through training, technical assistance, policy and research, advocacy and communications. CRN has placed affordable housing at the forefront of public, private, and philanthropic agendas, while working for public and private solutions to support strong communities.
