About CRN

Who We Are:

For 40 years, the Chicago Rehab Network has worked to train, coordinate, and empower community-based organizations developing affordable housing across Chicago and the region. CRN's advocacy has resulted in policies and resources including the Affordable Requirements Ordinance, the Tax Reactivation Program, the State of Illinois Housing Trust Fund, and the Illinois Affordable Housing Tax Credit. In addition to advocacy and training, CRN provides industry-wide thought leadership through regular policy updates, best practice case studies, and demographic and economic analysis related to housing needs and markets.
